

## **For Immediate Release: The first collaborative success solution by 22 leading experts in business and life**

Everyone has areas of their lives they'd love to improve and there are lots of experts who can help in each area. But finding and hiring those experts can be expensive and time consuming. The problem: there is no all-knowing guru who can help in every area of business and life.

That's why bestselling authors and business/personal development experts, Wendy Lipton-Dibner and Rick Frishman brought 20 experts together for an entire year in an intensive collaboration. Together, they created the first collaborative solution for 22 of the most critical personal and professional challenges encountered by men and women around the globe.

***The Expert Success Solution: Get Solid Results in 22 Areas of Business and Life*** combines 300+ years of experience in business and personal development to provide practical, step-by-step strategies in a fast-reading, entertaining, inspirational, hit-you-between-the-eyes, how-to manual.

Filled with thought-provoking questions and real-life stories, the tools provided in this book can solve existing problems and help readers avoid life's greatest speed bumps. **The Expert Success Solution** is the juncture where motivation meets information and where the biggest decision readers will have to make is whether to grab a tissue or a highlighter.
